

HOW TO UPLOAD A NEW PDF

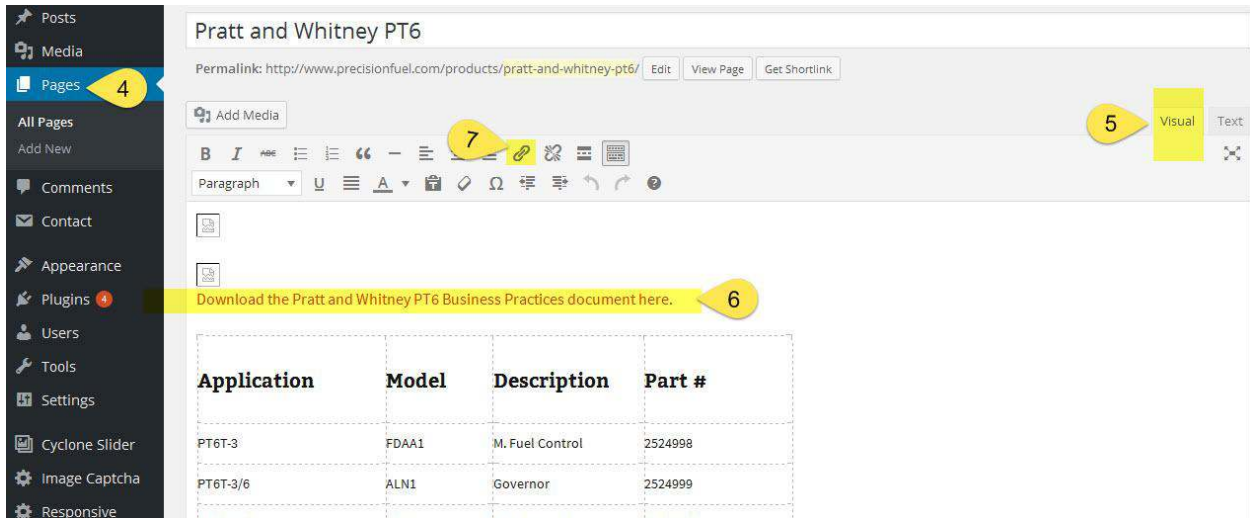

First upload the new PDF to the media library:

Then select the 'url' shown below and 'copy' it to use on the desired page.

Open desired page and be sure you are on the VISUAL tab. Highlight the text that is currently linked to old PDF, then click on the link icon.

Paste the URL into the area shown below and hit 'update'. You will also need to hit 'update' on the page itself too.
